* Notes to residents:

Upon request, the breakout groups in Parts 3 and 5 may occur with or without a witness. Witnesses will include members of the hosting team only (curators, working leads, knowledge leads, or other support staff). The role of a witness is to help walk through the activities and questions if you need support, and/or to document your discussions for your own learning or for the benefit of other residents. Please let us know what your preferences are.
